

As Noted in the NOR

Please Observe the Following Requirements:

BOAT STORAGE AND DOLLIES

Boats may only be stored in the launch ramp parking lot in designated areas during the event. Trailers may not be accessible for overnight boat storage. Each sailor must provide their own boat dolly or alternate means of boat storage. Boats may only use the docks for immediate launching and retrieval.

PARKING

Parents and participants must comply with all parking regulations and will be responsible for any parking fees. Boats and trailers must be stored in designated spaces only. If the designated space is filled, parking attendants may require participants to use other available lots in the area. No boats, trailers, or cars may impede traffic in the launch ramp area for any reason. No boats or equipment may be stored on the beach overnight. Boats shall not be left at the launch ramp dock, except when actively launching or retrieving for the day. Failure to comply with these policies may result in citations for vehicles or in disciplinary action against competitors by the protest committee.

COACH BOATS

Power boats may be stored on trailers overnight. Coach boats wishing to remain in the water during the event must make arrangements with SBYC or the Santa Barbara Harbormaster. Please do not leave coach boats unattended at the dock space at the launch ramp or at the adjacent docks. Coach boats must also supply their own VHF radio for safety purposes.
